

**BHAGALPUR COLLEGE OF ENGINEERING  
SABOUR, BHAGALPUR, BIHAR-813210**

(Department of Science & Technology, Government of Bihar)

**NOTICE**

All interested students are invited to submit their startup proposal in detail. A committee will evaluate the proposals and selected proposals will get seed support from the college under TEQIP-III upon their recommendation. The proposals may be submitted through the Coordinator, Startup Cell by 10 November, 2019.

The guidelines to write the proposal are enclosed herewith.

## **Enclosure**

### **Guidelines**

The students may follow the following guidelines to write their proposal:

1. Clearly write down what you are setting out to do and how.
2. Write down what is going to happen and what the business will achieve.
3. Write down who your target market is.
4. Write who is going to be working with you, if someone.
5. Write how you will afford to do what you are doing and sources of funds, amounts of funds and any useful information.
6. Write risks associated.
7. About you.
