

Registration ID	NACT1119BRAAA00352
Name	Mr. Keshav Raj
Date of Birth	10-05-1999
Name of College	Bhagalpur College of Engineering, Bhagalpur
Test Location	Bhagalpur College of Engineering, Bhagalpur
Test Date	07-Nov-2019

Test Scores - Part A

Skill	Max Score	Your Score	% Score	College Percentile*
Communication Ability	16	7	44%	21%
- Grammar	1	1	100%	-
- Vocabulary	2	0	0%	-
- Spelling & Punctuation	3	2	67%	-
- Verbal Reasoning	3	0	0%	-
- Writing / Recording	7	4	57%	-
Reading Comprehension	8	6	75%	95%
Analytical Ability, Logical Reasoning	20	8	40%	44%
Attention to Detail	25	11	44%	57%
Total (Part A)	69	32	46%	60%

Test Scores- Part B

Skill	Max Score	Your Score	% Score	College Percentile*
Computer Fundamentals	3	2	67%	67%
Operating Systems	3	1	33%	37%
Networking	3	1	33%	37%
RDBMS (Relational Database Management System)	3	0	0%	0%
SDLC (Software Development Life Cycle)	2	1	50%	57%
Algorithms & Programming Fundamentals	4	1	25%	36%
Design / System Architecture	3	1	33%	49%
Coding Skills	10	0	0%	0%
Total (Part B)	31	7	23%	60%
Total (Part A+B)	100	39	39%	60%

Your overall score is 39% **“Bronze Level” -Needs Improvement**

Legend

Levels	Average Score (Part A+B)	Description
Gold Level	>75%	Highly Trainable
Silver Level	60%-75%	Trainable
Bronze Level	<60%	Needs Improvement

Part A

Skill Description & Candidate Score Analysis	
Communication Ability	<p>Overall Score</p> <p>Grammar: Assessment of English usage building block through evaluation of grammar. Topics that were assessed are nouns, pronouns, articles, tenses, verbs, adverbs, adjectives, prepositions, conjunctions, subject-verb agreement and modifiers. Your Score is 100%, within Q4(76%-100%)</p> <p>Vocabulary: Assessment of English usage building block by evaluation of vocabulary. Topics that were assessed are word power and contextual relationships between words. Your Score is 0%, within Q1(0%-25%)</p> <p>Spelling & Punctuation: Assessment of English usage building block by evaluation of spelling and punctuation. These aid in construction of error free and meaningful sentences. Topics that were assessed are commas, colons, exclamations, apostrophes', common spelling errors, etc. Your Score is 67%, within Q3(51%-75%)</p> <p>Verbal Reasoning: Assessment of English usage by evaluation of skills like structure, arguments and verbal reasoning. Topics that were assessed are analogies, paragraph structuring, critical reasoning, arguments, assumptions and conclusions. Your Score is 0%, within Q1(0%-25%)</p> <p>Writing/Recording: Assessment of your ability to record text and data in formal organizational setting. Topics that are assessed include sentence formation, email / chat etiquette, filling and review of a given format/template. Your Score is 57%, within Q3(51%-75%)</p>
Reading Comprehension	<p>Assessment of comprehension of English passages and ability to make inferences from a large amount of information. Assessment of being able to connect the dots and make conclusions based on information and ideas spread across the passage. Your Score is 75%, within Q3(51%-75%)</p>
Analytical Ability, Logical Reasoning	<p>Assessment of problem-solving skills through questions on quantitative aptitude and assessment of logical reasoning by evaluating skills like deduction, induction and visualization. Your Score is 40%, within Q2(26%-50%)</p>
Attention to Detail	<p>Assessment of skills that require an eye-for-details. Your Score is 44%, within Q2(26%-50%)</p>

Part B

Skill Description & Candidate Score Analysis	
Computer Fundamentals	Assessment of knowledge and understanding of basics of a computer, its components and functions, instruction cycle Your Score is 67%, within Q3(51%-75%)
Operating Systems	Assessment of knowledge and understanding of system and operating software, process management, memory management, file system management and device management Your Score is 33% , within Q2(26%-50%)
Networking	Assessment of knowledge and understanding of Networking, inter-networking and distributed networking. Your Score is 33%, within Q2(26%-50%)
RDBMS (Relational Database Management System))	Assessment of understanding and application of files and Databases, Tables & Relationships, Normalization. Your Score is 0%, within Q1(0%-25%)
SDLC (Software Development Life Cycle)	Assessment of understanding and application of phases of SDLC and its implementation models. Your Score is 50%, within Q2(26%-50%)
Algorithms & Programming Fundamentals	Assessment of Data Structures - Sorting and Searching, Array& Algorithm-Dynamic Programming Your Score is 25%, within Q1(0%-25%)
Design / System Architecture	Assessment of Software and High-Level Design Architecture - Data flow Architecture & Layered Architecture Your Score is 33%, within Q2(26%-50%)
Coding Skills	Assessment of your ability to write the codes. Your Score is 0%, within Q1(0%-25%)

Part C: Diagnostic Counselling

You exhibit inclination towards following emerging technologies:

<None>
