

BHAGALPUR COLLEGE OF ENGINEERING SABOUR, BHAGALPUR, BIHAR-813210

(Department of Science & Technology, Government of Bihar)

Office Order

All faculty members & Students are directed to download the **BCE Faculty Portal and BCE Student Portal/My College app** respectively available on Google Play Store.

The app provides instant notification for any updates on website related to academics. Additionally, the faculty members can make announcements to their target students, provide assignments, notes etc. Further the students can write their grievances through the app.

The app has been developed by our student Mr. Satyam Swaraj (17541- Computer Science & Engineering). The valuable feedback and suggestions from the faculty members and students will help in further improvement of the app and encourage other students to do something new.
