NOTICE

Looking at the massive outbreak of the COVID-19 pandemic, all the students, faculty and staff members of Bhagalpur College of Engineering, Bhagalpur are advised to install the *Aarogya Setu App*.

Aarogya Setu is a mobile application developed by the Government of India to connect essential health care services with the people of India in our combined and concerted efforts to fight against COVID-19. The App is aimed at augmenting the initiatives of the Government of India, particularly the Department of Health, in proactively reaching out to and informing the users of the app regarding risks, best practices and relevant advisories pertaining to the containment of COVID-19. It is currently being used for contact-tracing amid the COVID-19 pandemic. The application uses Bluetooth and GPS data of the user to collect surveillance for contact tracing in Containment Zones.
